

DATACARD® CERTIFIED SUPPLIES

REPLACEMENT PRINTHEADS FOR USE IN DATACARD® DESKTOP CARD PRINTERS

- Color printheads with Advanced Imaging Technology™ provide 300 dpi print quality
- Replaceable by operator with no service call required
- Monochrome printheads are specifically designed for use in monochrome printers
- Color printheads are specifically designed for use on color printers

SPECIFICATIONS:

Printer Cross Reference: See attached table

Storage Requirements:

Storage Temperature: 0 to 120°F (-18 to 80°C)

Humidity: 10 to 80% RH, non-condensing

USAGE RECOMMENDATIONS:

- Datacard recommends that only color printheads be used in color printers and only monochrome printheads be used in monochrome printers.
- Performing cleaning cycles on a regular basis can help extend the life of a printhead and help prevent unplanned interruptions in card production. Refer to your printer users guide for information on cleaning intervals and the printer cleaning process.

REPLACEMENT PRINTHEAD WARRANTY:

DataCard warrants that its replacement printheads shall be free from defect in material and workmanship for the period of time specified in DataCard's published specifications. The warranty period shall commence on the date of installation of the printhead. This limited warranty does not cover printhead failure that results from accident, abuse, misuse, unauthorized modification or maintenance to the printhead, printer or software, or the use of non-DataCard supplied peripherals, supplies, or software. EXCEPT FOR THIS LIMITED WARRANTY, DATACARD HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. DataCard's sole obligation for breach of this warranty, and our customer's exclusive remedy, shall be a replacement of the defective printhead, or a refund of a pro-rated portion of the purchase price based on the remaining term of the original warranty. A replacement printhead will carry the same warranty as a new printhead. DataCard reserves the right to inspect any printheads for which warranty service is requested. In the event you believe a printhead is defective you should call your authorized DataCard service provider for assistance. In no event shall DataCard be liable for indirect, incidental, special or consequential damages, even if DataCard has been advised of the possibility of such damages.

YOUR BEST CHOICE FOR SUPPLIES

Protect your investment in Datacard® solutions by using Datacard Certified Supplies. You can count on Datacard for all your supply needs. We engineer superior performance and reliability into every system-matched supply item we offer. For you, that means smooth printing, brilliant image quality, high security and exceptional performance. Worldwide representation creates a fast, direct connection with the supplies and support you need, when and where you need them.
