

GO ZEBRA GETS BETTER!

When you hold onto your old technology with the idea you're saving money, you're overlooking the hidden costs. The latest generation of thermal barcode printer technology is engineered to:

- Gain visibility across the enterprise
- Expand business intelligence
- Increase staff productivity
- Reduce downtime
- Lower maintenance costs
- And much more

All these benefits lead to lower total cost of ownership and fast ROI!

With our GO Zebra Trade-in Rebate Program, you earn up to \$500 cash back with the purchase of a new Zebra® printer when you trade in your old printer—a Zebra or competitor's model.

Protect Your Investment.

Make the most of your investment and keep your printer in optimum condition with three or more years of ZebraCare™ service—with authorized technicians and Genuine Zebra parts. Add a 3-year or more ZebraCare service agreement when you buy a new Zebra tabletop or mobile printer, and receive **an additional rebate**: \$25 for a mobile printer and \$50 for a tabletop model.

The **ZebraCare service bonus** applies to purchases made between January 1 and December 31, 2015.
