Zebra Certified Supplies

EXCEPTIONALLY CONSISTENT AND CONSISTENTLY EXCEPTIONAL

1 We sift through thousands of available media options.

2 Our R&D experts select, convert and rigorously test all materials.

3 We certify only those offering the best thermal printing performance.

4 We never substitute raw materials, so our customers get consistent quality.

Zebra[™] Certified Supplies

Zebra makes selling supplies easy.

- With more than 1,500 combinations of high-quality and reliable labels, tags, receipts, wristbands and ribbons we can meet the needs of most applications and budgets.
- We have over 1,000 ZipShip[™] products in stock and available for immediate shipment from four convenient locations, ensuring quick and low-cost delivery.
- We have a dedicated Supplies R&D team and lab with a combined 30 years of experience committed to developing unique solutions for customers, in addition to providing diagnostic testing services.
- Can't find the product you need in stock? We pride ourselves on our extensive manufacturing capabilities, including printing, converting and finishing.
- We are ISO 9001:2015 certified. We have standard consistent processes in place that we must follow to ensure the creation of finished products that deliver high customer satisfaction.
- Our knowledgeable sales team has been extensively trained which allows them to quickly recommend materials and solutions that are best suited for the end-user's application.
- We offer several inventory management options, so you don't have to manage inventory.
- The Printhead Protection Program allows end-users to get free printheads when they exclusively utilize Zebra Certified Supplies, giving you an advantage over the competition.

Stock ships within one business day. Zebra cannot guarantee immediate shipments for items out of stock.

Advanced RFID Labels

Zebra's Advanced RFID labels provide a higher level of read performance than our General Purpose RFID labels in similar applications. Typical applications include labeling of cases, pallets, products and healthcare specimens where longer read ranges are required. Zebra's RFID labels have been tested and optimized to work with Zebra's RFID printers and readers. Due to the many variables that can affect read range, we recommend testing in your environment to determine which label works best in your situation.

STATBand - see datasheet on zebra.com for more information

Enables responders to quickly and accurately identify, record and track people and their personal items at the scene of an emergency with a customizable StatBand. Zebra's durable moisture and abrasion resistant identification tags feature a patented fastening system for quick securement. They are also compatible with emergency response and disaster management software for easy implementation.

Triage Band

This all-in-one wristband and triage tag with uniquely numbered barcode labels enables responders to quickly and accurately identify, record and track the injured at the scene of an emergency.

Zebra has the right thermal transfer ribbon for your application. For standard printing on paper labels, Zebra's wax ribbons are unsurpassed for performance and value. When better image durability is required, Zebra's wax/resin ribbons will meet your requirements. For the ultimate in chemical and heat resistance, Zebra's resin ribbons can handle the harshest environments. You can be assured that when used together, our ribbons and labels will provide optimal performance with your Zebra printer and extend the life of your printhead.

Zebra's Zip Ship stocking program includes popular sizes of the most frequently ordered ribbons. Our policy is to ship orders within the next working business day. There is a minimum invoice amount of \$50 per shipment destination (waived for Sample Program orders). Products purchased in less than full inner carton quantities are subject to a \$75 broken carton charge, per destination. For custom sizes, please contact your Zebra Supplies Specialist.

IMPROVE ACCURACY, EFFICIENCY & THE CUSTOMER EXPERIENCE WITH COLOR

Print color labels on demand using Zebra's exclusive IQ Color direct thermal ink technology, and any Zebra® thermal printer.

IQ Color enables you to create visual cues or highlight important information — and do it as needed — within your current label format. This innovative technology provides a flexible, efficient and accurate alternative to such methods as using preprinted color thermal media, laser or ink jet printing, separate color labels, or color markers.
